Who Are You?

Directions:
Our class is filled with students from many different places. Each person brings their own unique cultural perspective and talent to our class. We will use our backgrounds to learn from one another. Answer the following questions to help me get to know YOU!

1. Use five adjectives to describe your personality.

2. Where were you born?

3. How long did you live where you were born?

4. Have you lived any other places? Where?

5. What languages do you speak?

6. What holidays do you celebrate? When are these special days?

7. Describe an important value or belief of yours.

8. How do you enjoy learning and working? Alone? With a partner? In a group?

9. What do you want others to know about you?
