

Cooperative Learning Roles for Carousel Brainstorming Lessons

Directions: Read the responsibilities for each role in a cooperative learning group. Collectively, decide upon a role for each member as you work together on the carousel brainstorming lesson.

Recorder

- Contribute your own brainstormed ideas.
- Record the ideas for each member in your group.
- Write the name of the contributor beside their idea. This is for evaluation purposes.

Speaker

- Contribute your own brainstormed ideas.
- Present your group's ideas to the class at the end of the rotation.
- Be fair and impartial in sharing all ideas, not just your own.

Mediator

- Contribute your own brainstormed ideas.
- Help to keep ideas flowing within your group if thoughts stall.
- Encourage and refocus your group to each task, if necessary.

All group members

- Communicate your ideas openly.
- Listen to your teammates.
- Remember: "All for one and one for all!"
